

TRANSAMERICA FUNDS WINS 10th DALBAR AWARD

Transamerica Funds has earned the 2009 “DALBAR Mutual Fund Service Award” for excellence in customer service for the 7th year in a row and 10th time overall.

This award is bestowed by DALBAR to a few select companies for industry leading service. The DALBAR Performance Evaluation of Mutual Fund Service Program measures and evaluates service provided to mutual fund shareholders. The program focuses on key areas of shareholder service, including the accommodation, attitude and expertise of customer service representatives. This award symbolizes the highest tier of service within the mutual fund industry.

Transamerica Funds are investment advised by Transamerica Asset Management, Inc. and are part of the Transamerica Asset Management Group (TAMG). TAMG manages assets for individuals, institutions, and retirement plan participants. Transamerica Funds are distributed by Transamerica Capital, Inc.

Investors should carefully consider the investment objectives, risks, charges, and expenses associated with mutual funds before investing. The prospectus contains this and additional important information about the funds. Contact your financial professional or call us at 1-888-233-4339 for a prospectus. Please read it carefully before investing.

Mutual funds are subject to market risk, including the loss of principal.
